AMUSEMENTS

"Notorious Gallagher," Isis—Today Marguerite Snow and William Nigh, two of the most popular and versatile members of the great Metro family, will be seen on the screen here in "Notorious Gallagher," the next attraction which will be shown at the Isis today. This sensation five part feature was produced by the Columbia Pictures Corporation for the Metro program, and is said to be one of

THREE OF FAMILY HELD ON CHARGE OF "MOONSHINING"

Three members of the Elliot family, residing in Okaloosa county, and a friend named David Booker, were bound over by United States Commissioner J. J. Sullivan, Tuesday afternoon, on a charge of "making rum." The security was fixed in the sum of \$200 each for their appearance before the next federal grand jury, and being unable to give such bonds, all were locked up at the county jail. Deputy Dole, armed with a warrant from the assistant district attorney, made a trip into Okaloosa county and brought the quartette back for a hearing. Taken before the United States commissioner named, it was found that evidence supported the charge, and they were returned to the county jail at 11 o'clock and locked up.

the most distinct novelties ever offered by that company.

"Notorious Gallagher" is the story of "Butsy" Gallagher, a harmless, young product of the East Side, who suddenly finds that he has come into what he considers fame, through being accused of a murder he did not commit. The attention and notoriety he receives flatter him, and when he finds he is going to lose it all and that his lawyer is going to prove him innocent, "Butsy" pleads guilty. The manner in which this complication is unfolded, and the introduction of a strong contrast of life among the wealthy class, forms one of a most delightful series of situations.

TWO ARRESTED ON NON-SUPPORT CHARGE

Cases were made in the court of record yesterday against two negroes, who gave their names as Gregory Bell and George Perry, both charged with non-support. Bell was later discharged upon a hearing in said court, while the other will have trial later.

Dr. Wilmer S. Hall will be out of the city until July 31.

SCHEDULE ON THE LOCAL DIVISION OF L. & N. AGAIN AWRY

On account of serious washouts at two points on the line between Pensacola and Flomaton, schedules of local trains were again torn to pieces yesterday, and a train which should have reached here at 6:15 o'clock Tuesday morning, came hustling into the city about twelve hours late, or about 3:30 o'clock in the afternoon.

Train No. 6, leaving for Mobile Tuesday morning, passed over the scene of the nearest washout, and reached the junction all right. Train

No. 4, leaving at noon, did not cross the point of serious trouble, but an arrangement was made to transfer mail and passengers, and this was done without a great deal of delay. In this way, working from both sides of the washouts, little or no time was lost.

One washout occurred near Quintette and the other at McDavid. It was announced last night that the break had been repaired, and that regular and unaffected schedules are now possible.

DOZEN IDLE NEGROES TAKEN INTO CUSTODY

More than a dozen shiftless, loafing negroes were taken into custody yesterday, and sent to the police station. Officer Herrington made the majority of arrests, but in the afternoon another alleged loafer was sent in by Officer Steward. It is alleged by the police that it is difficult at times to
